

Apprentice Carpenter

Full Time - Hourly

CA\$25.00 - CA\$32.00 per hour

Overview

We are seeking a motivated and detail-oriented Carpenter Apprentice to join our construction team. This entry-level position offers hands-on experience in various aspects of carpentry and construction projects. The ideal candidate will have a strong interest in building trades, a willingness to learn, and the physical capability to perform demanding tasks. As a Carpenter Apprentice, you will work under the supervision of experienced carpenters to develop your skills in residential and commercial construction environments.

Responsibilities

- Assist with reading and interpreting blueprints, schematics, and construction plans to support project execution.
- Support the installation of cabinetry, flooring, tile, siding, roofing, and other carpentry-related tasks.
- Operate hand tools and power tools safely and efficiently under supervision.
- Aid in the assembly of structures and components using various woodworking techniques.
- Assist with construction painting, caulking, and finishing work to ensure quality standards are met.
- Help with plumbing and electrical tasks when required, adhering to safety protocols.
- Contribute to heavy lifting activities and material handling on-site.
- Follow safety guidelines at all times to maintain a secure work environment.

Requirements

- Basic knowledge of blueprint reading and schematics is preferred but not mandatory; willingness to learn is essential.
- Prior experience or familiarity with hand tools, power tools, or woodworking.
- Physical ability to perform heavy lifting and stand for extended periods during work shifts.
- Skills such as assembly or siding installation are advantageous.
- Ability to follow instructions carefully and work effectively within a team environment.
- Good communication skills and a proactive attitude toward learning new skills on the job.
- Minimum 1 year carpentry experience required.

This position provides an excellent opportunity for individuals eager to develop their skills in the construction industry while contributing to diverse projects across residential and commercial sites.

Benefits

- Extended health care
- On-site parking
- Employee appreciation program

Work Location

In person – virtual or hybrid arrangements are not available for this position. Work will be completed at the Hewing Haus Warehouse in Chilliwack BC. Periodic travel will be required for site installation.

How to Apply

Please email your resume to **Amber at: hello@hewinghaus.com** and put **Apprentice Application** in the subject line.
